**PRELIMINARY AMENDMENT TO ACCOMPANY RCE**

Dear Sir:

In response to the Office Action mailed 1/26/2005 time for which to respond was set to end on 4/26/2005 absent an extension of time, please amend the above identified case as follows.

**IN THE SPECIFICATION**

In response to the objection to the specification, a substitute specification has been prepared. The only changes made were to remove the underlining and highlighting the Examiner complained of. Because it did not make any sense to strike out the underlined passages and then add them again underlined to signify they were added when they were supposed to be not underlined, a marked up specification has not been enclosed. The undersigned hereby certifies that no new matter has been added in the substitute specification enclosed herewith.
